Get to the root of your dog's behavior by building a deeper relationship with The Way of Life Method.

Souha Ezzedeen, PhD, is a university professor, dog coach, and the founder of Way of Life® Dog Training in Ontario, Canada. An academic with expertise in management and organizational behavior, she has a curious mind, loves research, and is well-versed in behavioral theories that undergird mainstream dog training. Souha draws on two decades of diverse experiences with dogs to share her knowledge about the human-canine bond with people struggling to achieve a more harmonious life with their dogs.
